A Note from the Principal

Please assist us in talking with your child about the end of school. May is the busiest month we have at school, filled with fun and excitement, but we are still teaching! Teachers will continue to have important lessons and students will need the information for the future. It is our expectation that students come to school every day, on time, and ready to learn.

Summer Reading Programs will take place

at the Casa Grande Public Libraries. Encourage your children to read 20 minutes a day and visit the library over the summer to receive cool prizes, attend awesome events, and receive a free book at the book fair. Participation is free and helps children prepare for the next school year. Register at either library or online.

The week of May 7-11 is National Teacher Appreciation Week. Our teachers' hard work and dedication to our school is invaluable to us at Palo Verde. We appreciate what they do to make our school the best. We will shower them with notes and fill their stomachs with special treats and I ask that you take a moment to write them a note of thanks or stop by and tell them in person how special they are in the lives of your children.

Please check our website for dates and times of our end-of-the-year activities including the Music Program and awards assemblies.

School Starts on Monday, August 6.
